During my sojourn Jan. 19 to 23, 1985, in Warszawa (Poland), I met the principal members of the Polish Jōdo-Shinshū Community. Discussing the problem of representation, I stated the consensus in appointing as their representative

Dr. Agnieszka Jędrzejewska

ul. Bełska 8 m. 91

PL 02-638 Warszawa (Poland)

who accepted this charge and will therefore act in this function from now on.

I took recognizance of this appointment and give notice of it to all whom it concerns.

Jikō-ji, Antwerp (Belgium), February 15, 1985.
